Message from The PaperPlaza Conference/Journal Management System

Dear Mr. Tue-Cuong Dong-Si:

It is our pleasure to inform you that you have been awarded a IEEE Robotics and Automation Society Travel Award of \$500 to attend the 2011 IEEE International Conference on Robotics and Automation, May 9-13, 2011, Shanghai, China.

We received 196 applications and are only able to make this award to 20 candidates in the category of authors from

developing countries. Congratulations on making this short list. Since we do have a large number of highly qualified candidates that are on a waiting list, we ask you to confirm your decision to attend ICRA 2011 by March 18, 2011 via email to [icra11-travel-award@googlegroups.com](mailto:icra11-travel-award@googlegroups.com). If you cannot attend the conference or if you don't respond before this deadline, we will use the money to make an award to the next person on the waiting list.

More information about the conference is available at <http://www.icra2011.org>.

We look forward to welcoming you in Shanghai, China in May 2011, for what promises to be a strong technical program and conference.

Sincerely,

ICRA 2011 Travel Award Committee
